

## Information and training for parents

Field of activity: parental education

### Subject:

Events for parents, relatives and interested persons to promote sensitization and knowledge about sexuality, sexualized violence and prevention.

This kind of information and sensitization can contribute to the reduction of sexualized violence in the long term.

### Objectives:

Parents and resource persons are strengthened in their educative competences. They receive information about dynamics and indications, intervention and prevention and where to get help and support.

Interested persons receive an overview over the possibilities of prevention.

### Content:

- How can I protect my child from sexualized violence (sex education and information)
- Gender sensitive education
- Prevention of sexualized violence concerning women and men with disabilities
- Sex educational support for women and men with disabilities
- Information events
- Presentation of Hazissa and the various offers
- Overview: What does prevention mean?

### Methods:

Presentation, Discussion

### **Framework:**

- Ideal group size: 8 to 24 participants
